**Blue Diamond Growers Introduces New Line: Blue Diamond Almondmilk**

*A new almondmilk from the growers who know almonds best.*

**SACRAMENTO, Calif., February 13, 2026** – As a grower-owned cooperative with more than a century of almond-growing expertise, [Blue Diamond Growers](https://www.bdgrowers.com) today officially launches **Blue Diamond Almondmilk in four distinct varieties**.

As consumers look more closely at how their almondmilk is made, Blue Diamond Almondmilk responds with a line that puts almonds first – delivering quality and authenticity in every pour.

Available in 48 oz bottles, the line features:

- **Unsweetened Simple** - Made with just three ingredients: water, almonds, and sea salt.
- **Sweetened Simple** - Made with just four ingredients: water, almonds, cane sugar, and sea salt.
- **Signature Creamy** - Crafted for a luxurious texture and richer almond taste.
- **Chocolate Protein** - An indulgent, deep chocolate flavor with 8 grams of plant protein.

"Blue Diamond Almondmilk delivers what the brand promises: real almond taste and a richer, creamier pour," said **Maya Erwin, group marketing manager, innovation at Blue Diamond Growers**. "It doesn't need over-explaining and that's easy to trust. We focused on what our customers care about most – just a simple idea done with intention."

Versatile for any routine – whether that be iced coffee or matcha, cereal, smoothies, overnight oats and more – Blue Diamond Almondmilk is the almondmilk you'd make if you grew almonds yourself.

Blue Diamond Almondmilk is available at retailers nationwide and consumers can visit [www.BlueDiamond.com](https://www.BlueDiamond.com) to find a store near them.
